28 / 4 / 2017

ROTATION PROGRAM

Due to short fall of 50% water in River Indus the Nara Canal System and its off taking channels are also affected, in the light of above situation the under signed in exercise of power delegated under section 28-C of Sindh Irrigation Act 1879, the Rotation Program is prepared on the basis discharge available at Jamrao Canal Head works and with the consultation of water Allocation Committee No.1 in order to maintain water supply all along the channels of Jamrao Canal System for drinking purpose only.

In case of improvement of water at Jamrao Canal Head works the Rotation will be minimized.

The channels pertain to Former Organization should be opened and closed in the presence of Chairman Former Organization or his reprehensive / nominated persons.
